500 Scarabeo

scarabeo

Nothing goes out of fashion more quickly than fashion.*

Scarabeo's design is classical and contemporary at the same time, with great attention to detail and harmony.

Fold-away passenger footrests
No detail is too small to be important. The passenger footrests fold away when not in use to make Scarabeo even sleeker.

Adjustable windshield
Choose your own level of wind protection to suit your journey.

Analog/digital instrumentation
All the information you need, including clock, odometer, anti-theft indicator, and fault and fuel reserve warning lights.

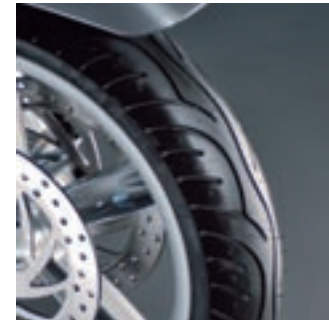

Under-seat storage
Opens by remote control. Big enough to hold a full-face helmet or briefcase.

* Bruno Munari, designer.

Nothing can really stop you. Nothing can really hold you down. Because your will is always under your own control.*

Large diameter wheels and integral braking mean great road-holding and stability. The new Scarabeo 500 is born to ride.

Tyres

Broad tyres absorb the bumps and guarantee maximum stability on the move.

Suspension

Twin rear shock absorbers for comfort and excellent road holding even in difficult conditions.

Integral braking

Integral braking distributes braking force automatically between the two wheels, reducing stopping distances and improving control.

Anti-theft system

A remote controlled electronic anti-theft system is fitted as standard, for added security even when Scarabeo is parked.

* Epitteto, philosopher.

Grace is beauty in motion.*

Underneath the style and lightness beats a generous heart. Scarabeo 500 has the best power to weight ratio in its class.

Euro 3 and consumption

Reduced consumption and emissions. Scarabeo 500 is the first Aprilia scooter to conform to the new Euro 3 standards.

Agility

The shortest wheelbase in the maxi-scooter class and a steering angle of 42° make light work of city traffic.

Acceleration (power/weight report)

39 horsepower combined with light weight makes for nippy standing starts and powerful acceleration.

* Gotthold Ephraim Lessing, philosopher.

500 Accessories

Freedom is not the choice between black and white; it's the opportunity not to choose.*

Whatever your needs, the wide Scarabeo range has the right model for you.

Windshield
High windshield with handguards and chrome plated brackets, innovatively designed as a perfect match for Scarabeo.

Tunnel bag
50 litre tunnel bag with a clear top map pocket and ample carrying capacity for even the longest journeys.

35 Litre top box
Detachable 35 litre top box with lid in matching paint finish and chrome plated fixtures in perfect Scarabeo style.

47 litre top box
Detachable 47 litre top box with lid in matching paint finish, big enough to hold two open face helmets.

* Theodor Wiesengrund Adorno, philosopher.

BEIGE PEARLY SAND

GRIGIO SHOT

NERO MOKA

Engine	Single cylinder four stroke.
Displacement	460 cc.
Bore	92 mm.
Stroke	69 mm.
Fuel	Minimum 95 RON petrol (unleaded).
Compression ratio	10.5:1.
Maximum power at crankshaft	39 HP at 7,500 rpm – 29 kW.
Maximum torque	43 Nm at 5,500 rpm.
Valvegear	Single overhead cam (SOHC), 4 valves.
Cooling	Liquid cooled.
Starting	Electric, with freewheel.
Balancing	Counter-rotating balancer shaft.
Ignition	Electronic inductive discharge ignition with automatic timing.
Lubrication	Wet sump.
Fuel system	Electronic fuel injection.
Gearbox	CVT automatic variator with torque assistance.
Clutch	Centrifugal.
Frame	High strength tubular steel trellis double cradle.
Front suspension	40 mm hydraulic fork.
Rear suspension	Two double acting hydraulic shock absorbers with 4 spring preload settings.
Brakes	Integral braking. The left hand lever operates the front left disc and rear disc, correctly distributing braking force. The right hand lever operates the front right disc only.
Front brakes	Twin 260 mm stainless steel discs. Floating calipers with two 25 mm parallel pistons.
Rear brakes	240 mm stainless steel disc. Fixed caliper with two opposed 32 mm pistons.
Front wheel	Light alloy - 16x3.00".
Rear wheel	Light alloy - 14x4.50".
Front tyre	Tubeless 110/70 - 16".
Rear tyre	Tubeless 150/70 - 14" .
Length	2,263 mm.
Width	790 mm.
Seat height	785 mm.
Wheelbase	1,535 mm.
Dry weight	189 kg.
Tank capacity	13.2 litres (3 litres reserve).
Maximum speed	160 km/h.
Under-seat storage	Big enough to hold a full-face helmet of briefcase (A3 size). Additional storage in rear of leg shield.
Emissions	Euro 3.
Other features	Electronic instruments, fold-away passenger footrests.
Standard equipment	Anti-theft system, height adjustable windshield, remote control seat lock.
Accessories	High windshield with handguards 50 litre tunnel bag, New Concept 32 litre standard top box, 35 litre top box with matching paint finish, 47 litre top box with matching paint finish.

Scarabeo 500 is an ecological vehicle with communitarian homologation Euro 3, in the respect of the acoustic and atmospheric pollution limits.

Drive safely always wearing a helmet and protective clothing. Observe the laws of the road and respect the environment. Carefully read the owners' handbook. Photographs, technical data, specifications and colors shown in this brochure refer to the Italian market version and may be subject to change without prior notice. Ask your official Aprilia dealers for full details. In order to maintain your machine in a safe and efficient manner, always demand official Aprilia Spare Parts, which are guaranteed by Aprilia Quality Service in respect of current legislation.
