Attention to detail

Scarabeo 50 Street has a young and unmistakable look, because Scarabeo is designed to stay in touch with the latest trends without losing sight of that clear Scarabeo personality.

Float like a butterfly, sting like a bee.*

Lightness, agility and comfort are guaranteed. Thanks to large diameter wheels and low seat, Scarabeo 50 Street achieves a perfect blend of sporty riding and safety.

Large wheels

The most innovative aspect of Scarabeo continues to be its great mix of safety, stability and agility, ensured by the use of 16" wheels.

Respect for the environment

Scarabeo 50 Street's 50 cc carburettor fuelled engine delivers brilliant performance, while its exhaust with catalytic converter ensures respect for the environment, as well as conformity to Euro 2 emission control standards.
